Compression Garment Return Policy

For sanitation reasons, all compression garments are non-refundable. If the quality and/or workmanship is not to your satisfaction, we will gladly exchange them for another pair within **seven days** of purchase or delivery of the product. A \$10.00 restocking fee may apply.

Custom-made stockings or garments are also non-refundable, non-returnable. If the quality and/or workmanship is not to your satisfaction, we will gladly exchange them for another pair within **seven days** of purchase or delivery of the product. With custom-made garments, we must have the product remade.

Thank you for your business!
